Certificate II Animal Care

Course Description

The Certificate II in Animal Care is an ideal entry point into the animal care and management industry. This qualification prepares students for entry into sectors of the animal care and management industry, where workers provide care for animals in workplaces such as pet shops, animal shelters, kennels, catteries, groomers, sanctuaries and veterinary clinics.

This course will give you an introduction to the animal care industry and teach you how to conduct animal care work practices in an ethical and humane manner. Learn how to complete animal care hygiene routines, feed and water animals, provide basic first aid, and assist in the health care of animals. You'll also gain essential workplace skills in effective workplace communication, workplace health and safety, and environmentally sustainable work practices.

Pathways

This course is also a pathway to further qualifications:

- Certificate IV Vet Nursing
- Certificates III & IV in Companion Animal Services
- Certificate III in Pet Grooming

Entry Requirements

To be eligible for this course, you must:

- ✓ Be at least 15 years old
- ✓ Internet access and email address
- ✓ Organise work placement or volunteer work in a suitable animal facility OR attend the campus for practical training.

Study Methods

Students have up to 12 months to complete the course. However, many students are able to complete their study within this time frame based upon the amount of hours dedicated to study each week

The course is delivered using a blended approach. The theory (knowledge) is taught using our online 'Learning Centre' with printed learner's guides. This allows you the flexibility to study when it suits your schedule. You won't need to attend any on-campus classes. We've designed the course to fit around your work and lifestyle.

Once the student has completed their theory study and assessments, they are then able to commence their practical training. The practical training is taught during work placement or volunteer work. A minimum of 10 days is required to complete the training and practical assessments for the Certificate II Animal Care.

Govt. Assistance

The Certificate II Animal Care ACM20121 is approved for Government Assistance for up to 21 weeks for eligible students. The assistance includes: Youth Allowance, Austudy & Abstudy.
